www.indianajazz.org/alldistrictconfirm/

Please be sure to have filled out the confirmation form by October 30, 2020. If you are for some reason not able to still participate in the ensemble, please contact Peter Sampson, IJEA All-District Coordinator using the information at the bottom of this letter.

Please be sure to **PRACTICE** your music ahead of time so our guest conductor(s) will be able to spend more time working on putting the music together instead of teaching parts. This will make the whole experience better for everyone involved.

Please be looking for more information concerning the rehearsal and recording submission procedures. We are very much looking forward to having you be a part of this great experience!!
