A reminder to all students they will need to bring a \$50 entry fee (checks to IJEA). This DOES include a lunch for that day.

You will find your music in the shared google drive folder (on Friday) along with this letter. Please be sure to **PRACTICE** your music ahead of time so our guest conductor will be able to spend more time working on putting the music together instead of teaching parts. This will make the whole experience better for everyone involved.

Please enter Pearl Arts Center at the front of the building starting at 8:30 AM and we will get everyone checked in for the day. We are very much looking forward to having you be a part of this great experience!!
